## Class with Coach Program

Our “**Class With The Coach**” program is for players **grades 6 thru 12**. All sessions are co-ed and players will be grouped according to age, size/strength, and skill level. These classes will focus on offensive fundamentals with a particular emphasis on the most important skill in the game of basketball – SHOOTING. These weekly classes will be directed by our new General Manager, Kirk Earlywine. Coach Earlywine has 30+ years of college coaching experience as a head coach and assistant coach at both the Division I and Division II levels.

### What to Expect:

- Teaching and emphasis on proper shooting mechanics
- Shooting preparation and footwork
- Shooting off the dribble
