Sibling Discounts

At Shoot 360 Pittsburgh, we believe in family, and we encourage our families to consider sending all of their children to our facility. In support of this belief, we offer a sibling discount to families who have two or more siblings enrolled at Shoot 360. For **all membership levels**, once the first child is enrolled, the discount for additional siblings is \$20 per month (*Rookie Level Excluded*).

For the purpose of this discount, we define siblings as children sharing at least one common parent, either biologically or through legal adoption.

Membership Freeze

Members with a 12 month contract may freeze their membership for up to 3 months (it does not have to be 3 consecutive months) during the contract's duration. A \$10/month fee will be incurred.

Unaccompanied Minors

Minors under the age of 18 years old who are unaccompanied by an adult may only be in the Shoot 360 Pittsburgh facility for a maximum of 90 minutes per day.

Sign-Up

Visit shoot360pittsburgh.com and click **EXPERIENCE SHOOT 360** to begin the sign-up process. Once you have completed and submitted the form, a Shoot 360 representative will contact you.

Please Note: All memberships automatically renew at the end of the selected term based on the original purchase date. Monthly payments are charged on that same date. Memberships will continue unless canceled by the member prior to the renewal date. For assistance with cancellations or suspensions, please text 844.799.0160.

Initiation Fee: \$25 per member

Scheduling Policy

All sessions will be booked in a maximum of 30-minute time slots (30-minute shooting, 30-minute skill court) per day. Courts and classes are reserved using your phone app, web account, or over the phone. Sessions can be booked up to 7 days in advance. Sessions can be extended depending on court availability at the end of your session.

Facility Guidelines

There is a 90-minute daily time limit for unaccompanied minors in the facility. We do not offer guest or day passes, but we do offer drop-in sessions. All members have recurring monthly charges unless you cancel or suspend before the first of the month. No outside trainers or coaches are allowed to train members or other players in our facility. All membership management (cancellations or suspensions) must be done before the first of the month.
